Recommendation for induction into the Order of the Arrow of an adult Scouter should take place only when the adult’s job in Boy Scouting will make Lodge membership more meaningful in the lives of the youth membership. Adult membership is not intended as recognition for service, achievement or tenure with the unit. Any candidate should show strong, ongoing commitment of direct service to youth.

The number of adults nominated can be no more than one-third of the number of youth candidates elected, rounded up where the number of youth candidates is not a multiple of three. In addition to the one-third limit, the unit committee may nominate the currently serving unit leader (but not assistant leaders), as long as he or she has served as unit leader for at least the previous 12 months. To recommend an adult, a Unit must hold a proper election for youth and elect at least one youth.

Camping Requirement

The camping requirement, which applies to youth candidates, applies to adults. The adult must have experienced fifteen days and nights of Boy Scout camping during the two-year period before the election. The fifteen days and nights must include one, but no more than one, long term camp consisting of six consecutive days and five nights of resident camping, approved and under the auspices and standards of the Boy Scouts of America. The balance of the camping must be overnight, weekend or other short-term camping.
